

SEND A KID TO ATTEND MUSIC CAMP

SPONSORSHIP INFORMATION

Northern Lights believes all kids deserve a chance to learn an instrument to explore their talent and creative expression.

For more than 10 years, we have been working with children of *all ages* to bring that unforgettable music experience to life.

This is an opportunity for these children to be a part of something life changing!

Sumer Camp For Music Entrepreneurs!

With each successive year, we see our students gain self-esteem, expand their ability and skill as musicians, and learn what it means to be responsible in a group environment. It's an opportunity for professional artist to become lifelong mentors to their students, often keeping in touch after camp is long over. Some of our camp alumni have formed bands and small businesses to support their musical ambitions.

Unique Performing Opportunities

Our staff are our festival acts! You heard that correct! Our music instructors are living, breathing, professional touring acts that can offer our students more than a sit down lesson or two. These musicians educate our students past the book and bring enormous enthusiasm to the stage, and this resonates with our students. Our festival brings the opportunity for our students to see their teachers in full form before the camp – an experience unlike any other music camp out there!

CHANGE A LIFE- SPONSOR A KID TO ATTEND MUSIC CAMP!

Year-round Music Programming Province-wide

Northern Lights makes an effort to organize consistent year-round programming that collaborates other music community organizations – both private and public – to form partnerships where there is mutual benefit. This includes educational Roots series and concerts bringing in Canadian and International acts weekly at cultural cafes in Saskatoon, as well as leading music education workshops in regions and town schools such as Nipawin, Swift Current, Prince Albert, Meadow Lake, and more growing every year.

We offer a three-day music festival followed by a four-day music camp, and we work with Saskatchewan organizations who are interested in sharing a unique music experience that combines both traditional acoustic and natural surroundings, while learning from professional instructors in a **safe and supportive environment**.

MUSIC CAMP MANDATE

To offer our music students high quality instruction led by professional, touring musicians who are dedicated to the value of fostering music in a positive and natural environment.

To offer programming to students of all ages regardless of previous musical experience.

To enrich community interactions and foster lifelong friendship through music.

To uphold the belief that participation in music is a right to all, and contributes to community development and positive societal contribution.
